## PROJECTS

**"Paperless Handling of Documents"** — The MERN stack-based "Paperless Documentation Handling" system for Udaipur Army Camp digitizes document management to cut paper use, speed up document transfer, and enhance accountability.

**"Resume Builder Website"** — Developed a Resume Builder website for a college project using HTML, CSS, JavaScript, PHP, and MySQL to create and manage professional resumes.

**"The Coding Fest"** — The coding fest is 'C' Language Based contest & Divided into two parts, First is MCQ based and another is Practical based. (24-26 March 2022)

**DEEP-DAAN** — "DEEP-DAAN" Drive is a Donation Camp. The ISDC TEAM collaborated with this Drive. This was three day camp. (22-24 October 2022)

**उत्थान" – Ideathon** — "Uthan" was a collaborative ideathon fostering entrepreneurship and innovation, organized by Genesis Club and ISDC in Udaipur.

**Code Craft** — I led the planning and execution of CodeCraft, a dynamic exhibition showcasing the intersection of creativity, technology, and computer science.
